

# Summer Service Days July 11 & August 8, 2008

Dear MCC Friend,

The Marin Conservation Corps (MCC) is proud to be celebrating its 26th year of service to Marin youth and the environment, much of which has been made possible thanks to the generosity of local communities, businesses, and our nonprofit partners.

This year MCC hopes you will join us as a sponsor for our third annual Summer Service Days, which are taking place at 14 project sites throughout Marin County on July 11<sup>th</sup> and August 8<sup>th</sup> from 9:00 am-1:30 pm. These amazing two days of environmentally-focused community service provide a valuable way for Marin County youth, local residents, and businesses to give back to their community while protecting Marin's outstanding parklands and open space areas.

All of the service projects are planned by the 140 Marin County middle and high school students who participate in MCC's innovative Project ReGeneration summer youth program. Last year hundreds of Summer Service Day volunteers from a variety of local businesses worked alongside Project ReGeneration youth and community residents to complete important habitat restoration, trail maintenance, community garden, and cleanup projects in places such as Golden Gate National Recreation Area, West Marin Senior Center, and China Camp State Park. Both Summer Service Days end with a community barbecue and awards ceremony to celebrate the youth's hard work, as well as to recognize our sponsors for their valuable contributions.

We hope you will join us as a 2008 Summer Service Days sponsor. In addition to supporting Marin County's youth and environment, Summer Service Days will provide your business with a valuable employee teambuilding and community relations experience. In recognition of your sponsorship and employee volunteerism, we are delighted to offer the enclosed sponsorship benefits. Our goal this year is to raise \$75,000 to help fund our critical youth and community service programs, such as Project ReGeneration.

If you are interested in becoming a Summer Service Days sponsor, please complete the enclosed form and return it to us by June 1st. If you need further information or have any questions, please contact Laura J. Giacomini at (415) 454-4554 extension 274 or [lgiacomini@marincc.org](mailto:lgiacomini@marincc.org). Thank you for your consideration and we hope to see you this summer!

Sincerely,

A handwritten signature in blue ink that reads "Marilee Eckert".
