

Volunteer Opportunities

Posted by 2007-2008 REM Crew Volunteer Leader and Location

POINT REYES NATIONAL SEASHORE

Kevin Sherrill

kevsherrill@berkeley.edu

Various opportunities, mainly invasive species plant removal.

Erin Flynn

eflynn.ak@gmail.com

Harbor seal monitoring. Approximately 35 volunteers, training in February, runs through July.

Erin Brown

ernbern75@hotmail.com

Creek Restoration projects. Multiple volunteers needed for this work.

LAND'S END

Dan Moriarty and Elizabeth Oakes

mrdan100@hotmail.com

elizabeth.a.oakes@gmail.com

Thursdays and Saturdays, 1:00 p.m. to 4:00 p.m. Invasive plant removal. No age limit. Teenage volunteers need to fill out a parental consent form. Sometimes classroom groups can be accommodated.

OPEN SPACE DISTRICT

Marianne Baik and Katelin Kelly

openspacevolunteers@co.marin.ca.us

415-499-3657

The Open Space District has no repeating volunteer days and events, but plans regular volunteer projects with local middle schools, church groups, and often with Save the Bay. Their volunteer opportunities are generally weeding invasive species, planting seedlings, and removing broom.

GOLDEN GATE NATIONAL RECREATION AREA

Rob LaPorte

rlaporte@parksconservancy.org

Trail work starting in April, several times a week. Includes trail maintenance and various other opportunities. Check www.parksconservancy.org/calendar/

MARIN MUNICIPAL WATER DISTRICT

John Harrigan

jharrigan@marinwater.org

Younger children have opportunities through school groups. First Saturday of every month, trail maintenance work appropriate for teenagers and adults. "Roving Weeders" habitat restoration occurs one Thursday a month. Contact John Harrigan for upcoming large service event opportunities.
